Section-02

INSTRUCTIONS TO THE BIDDERS

1.0 GENERAL INSTRUCTIONS:

1.1 For Bidding / Tender Document Purposes, 'Office of the Director, Indian Institute of Management, Udaipur, Rajasthan referred to as 'Client' and the Bidder / Successful Bidder shall be referred to as 'Agency/ Contractor' and / or Bidder interchangeably.

1.2 The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates.

1.3 While all efforts have been made to avoid errors in the drafting of the tender documents, the Bidder is advised to check the same carefully. No claim on account of any errors detected in the tender documents shall be entertained.

1.4 Each page of the Tender documents must be stamped and signed by the person or persons authorized to submit the Tender in token of his/their having acquainted himself/ themselves and accepted the entire tender documents including various conditions of contract. Any bid with any of the Documents not so signed is liable to be rejected at the discretion of the client.

1.5 The Bidder shall attach the copy of the authorization letter / Power of Attorney as the proof of authorization for signing on behalf of the tendering company/ firm/ tenderer.

1.6 All Bidders are hereby explicitly informed that conditional offers or offers with deviations from the conditions of Contract, the bids not meeting the minimum eligibility criteria, technical bids not accompanied with EMD of requisite amount/format, or any other requirements, stipulated in the tender documents, are liable to be rejected.

1.7 The parties to the Bid shall be referred to as the 'Bidders' /Agency (to whom the work has been awarded) and 'Office of the Director, Indian Institute of Management, Udaipur, Rajasthan' shall be referred to as 'Client'.

1.8 For all purposes of the contract including arbitration there under, the address of the Bidder mentioned in the bid shall be final unless the Bidder notifies a change of address by a separate letter sent by registered post with acknowledgement to the 'Office of the Director, Indian Institute of Management, Udaipur, Rajasthan. The Bidder shall be solely responsible for the consequences of any omission or error to notify change of address in the aforesaid manner.

1.9 Bidders are advised to visit personally the worksite/place i.e. **Indian Institute of Management Udaipur, village Balicha, Udaipur, Rajasthan 313001** to acquaint themselves with site conditions.

1.10 The requirement/execution of the work is indicative as mentioned in Schedule of Quantity and may deviate or change at the sole discretion of the client up to the permissible deviation limit.

IIMU

Indian Institute of Management Udaipur

भारतीय प्रबंधन संस्थान उदयपुर

1.11 **Pre- Bid Meeting:-**The purpose of the pre-bid meeting will be to clarify issues and to answer questions on any matter concerning bids that may be raised at that stage or for any clarification in connection with the bid documents. The bidder may submit any queries in writing or by e-mail, to reach the Engineer In Charge before such meeting. Proceeding of the pre-bid meeting, including copies of the queries raised and responses given, will be furnished expeditiously to all those attending the meeting (and subsequently to all purchasers of the bidding documents). Any modification of the bidding documents which may become necessary as a result of the pre-bid meeting or otherwise shall be made by the Engineer In Charge through the issuance of an Addendum (or Amendment) to the bid documents and shall form part of the resultant contract.

2. EARNEST MONEY DEPOSIT:

2.1 This tender should be accompanied with Earnest Money Deposit (E.M.D.) **Rs. 41,471/- (Rupees Forty One Thousand Four Hundred Seventy One only)** in the form of Demand Draft/ Banker's Cheque/ Pay Order of any nationalized/Scheduled bank in favor of "Director, Indian Institute of Management, Udaipur, Rajasthan" payable at Udaipur, Rajasthan valid for 3 months.

2.2 The Earnest Money Deposit will be refunded to the bidders without any interest whose offers have not been accepted. The Earnest Money Deposit of the bidder whose offer is accepted will be kept until such time that the Performance Bank Guarantee is received.

2.3 The tenders without the Earnest Money shall be summarily rejected.

2.4 The tender security (EMD) may be forfeited:

(i) If the Tenderer withdraws his tender during the period of tender validity specified by the Tenderer in the tender form; or

(ii) In case of successful Tenderer, if the Tenderer

(a) Fails to sign the contract in accordance with the terms of the tender document.

(b) Fails to furnish required performance security in accordance with the terms of Tender document within the time frame specified by the client.

(c) Fails or refuses to honor his own quoted prices for the services or part thereof.

3. VALIDITY OF TENDERS AND RATES

Bid shall remain valid and open for acceptance for a period of 90 days from the last date of submission of Tenders. The rates shall be valid for a period of One Year from the date of start of work.

3.1 Rates must be inclusive of GST and taxes.

4. PREPARATION/SUBMISSION OF BIDS

i. Bidder should take into account any corrigendum published on the tender document before submitting their bids.

ii. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to the rejection of the bid.

iii. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with the black and white option which helps in reducing the size of the

IIMU

Indian Institute of Management Udaipur

भारतीय प्रबंधन संस्थान उदयपुर

scanned document.

iv. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process. **Note:** My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

5. SUBMISSION OF TENDER

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) **Bidders are requested to note that they should submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white-colored (unprotected) cells with their respective financial quotes and other details (such as the name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.**
- 6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 10) The bid summary has to be printed and kept as an acknowledgment of the submission of the bid. This

acknowledgment may be used as an entry pass for any bid opening meetings.

11) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

12) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

13) The Agencies are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bid online by the Agencies at the eleventh hour.

14) Not more than one tender shall be submitted by one Agency or Agencies having a business relationship. Under no circumstance will the father and his son(s) or other close relations who have a business relationship with one another (i.e. when one or more partner(s)/director(s) are common) be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both parties liable to rejection.

15) Bidder who has downloaded the tender from the IIMU website www.iimu.ac.in and Central Public Procurement Portal (CPPP) website <https://eprocure.gov.in/eprocure/app> shall not alter/modify the tender form including downloaded price bid template in any manner. In case if the same is found to be altered/modified in any manner, tender will be completely rejected and EMD would be forfeited, and Bidder is liable to be banned from doing business with IIMU.

6. TENDER OPENING PROCEDURE

6.1 The tender will be opened online on the Central Public Procurement Portal (CPP Portal).

7. CLARIFICATION ON TENDER EVALUATION

7.1 The Tender shall be evaluated based on the available documents submitted by the tenderer.

7.2 Client also reserves right to seek confirmation/ clarification on the supporting documents submitted by the tenderer.

8. RIGHT OF ACCEPTANCE

8.1 Office of Director, IIM Udaipur, Rajasthan reserves all rights to reject any tender including of those tenderer's who fail to comply with the instructions without assigning any reason whatsoever and does not bind itself to accept the lowest or any specific tender. The decision of the Competent Authority in this regard shall be final and binding.

8.2 Any failure on the part of the Tenderer to observe the prescribed procedure and any attempt to canvass shall render the Tenderer liable for rejection.

8.3 The Competent Authority reserves the right to award any part or full contract to any successful tenderer's at its discretion and this will be binding on the Tenderer's.

8.4 Office of Director, IIM Udaipur, may terminate the contract if it is found at any stage that Contractor is blacklisted on previous occasion by any institution.

9. LETTER OF ACCEPTANCE

9.1 After determining the successful evaluated Tenderer, Client shall issue a Letter of Acceptance (LoA) in duplicate, who will return one copy to client duly acknowledged, accepted and signed by the authorized signatory, within 3 days of receipt of the same by him.

9.2 The issuance of the Letter of Acceptance to the Tenderer shall constitute an integral part of the contract and it will be binding on the contractor.

GENERAL CONDITIONS OF CONTRACT (GCC)

1. DEFINITIONS

Unless repugnant to the subject or context of usage, the following expressions used herein shall carry the meaning hereunder respectively assigned to them, namely:

1. **“Annexure”** referred to in the Tender document shall mean the relevant annexure appended to the Tender Document and the Contract.
2. **“Approved”** shall mean approved in writing including subsequent confirmation of previous verbal approval. **“Approval”** shall mean approval in writing including as aforesaid.

IIMU

Indian Institute of Management Udaipur

भारतीय प्रबंधन संस्थान उदयपुर

or deduction thereto as may from time to time be furnished or approved in writing by the Competent Authority. In case where no particular specification is given, the relevant specification, where one exists, of the Bureau of Indian Standards shall apply.

17. **“Tender”** means the Contractor’s bid offered to the Competent Authority for the supply of the Services and remedying of any defects therein in accordance with the provisions of the Contract, the installation and services as accepted by the Letter of Acceptance.

19. **“Time for completion”** means the time for completing the supply of services or any part thereof as stated in the Contract calculated from the Commencement Date.

20. **“Similar Work” and “Scope of work”** shall mean **Provision of 2 nos. of Deep Borewell With Connected Items and Submersible Pump Set At IIM Udaipur.**

21. The specifications mean the CPWD specifications related to the work with up-to-date correction slips and amendment thereto. Any term that has not been defined hereinabove shall be governed by the meaning explained in Oxford Dictionary and/or should be determined by the General Clauses Act relevant to such contracts.

2. RETURNING OF EARNEST MONEY DEPOSIT (TENDER SECURITY AMOUNT)

2.1 The Earnest Money Deposit of the unsuccessful tenderers shall be returned after opening of the financial bid.

2.2 The Earnest Money Deposit will be refunded to the bidders without any interest whose offers have not been accepted. The Earnest Money Deposit of the bidder whose offer is accepted will be kept until such time that the Performance Bank Guarantee is received.

3. PERFORMANCE GUARANTEE (SECURITY DEPOSIT)

3.1 The successful tenderer will deposit 5 % of the tendered value as Performance security in the form of FDR/Bank Guarantee pledged in favor of “Director, Indian Institute of Management, Udaipur, Rajasthan” from any Nationalized/Scheduled Bank within 10 days of the acceptance of the LoA. The validity of Performance security will be 24 months from date of completion of work. The performance security can be forfeited by order of the competent authority i.e. Director, Indian Institute of Management, Udaipur, Rajasthan. in the event of any breach of negligence or non-observance of any terms/ condition of contract or for unsatisfactory performance or for non-acceptance of the work order. Security deposit which shall be extended to cover **the defect liability period of 24 months for the work**. The EMD deposited at the time of tendering will be returned after submission of the Performance Guarantee.

4. SIGNING OF CONTRACT AGREEMENT

4.1 The successful tenderer shall enter into the contract and shall execute and sign the Contract Agreement in accordance with the Articles of Agreement on a non-judicial stamp paper of Rs. 500/- to be obtained by the successful tenderer.

4.2 The competent authority of the Client shall sign the Contract agreement and return a copy of the same to the successful tenderer.

5. CONTRACTOR'S OBLIGATIONS

IIMU

Indian Institute of Management Udaipur

भारतीय प्रबंधन संस्थान उदयपुर

5.1 The Contractor shall provide services at Client's premises as per Scope of Work (Section 4) which may be amended from time to time by the Client during the Contractual period and it shall always form part and parcel of the Contract. The Contractor shall abide by such assignments as provided by the Client from time to time.

5.2 Contractor shall not engage any sub-contractor for the work assigned to him.

5.3 In the event of substandard performance or non-performance during the contract period, the client shall have the right to foreclose the contract and forfeit the Performance Guarantee/ Security Deposit.

5.4 The Agency/contractor has to make their own arrangement of machinery and T&P to undertake the work in mechanized manner.

6. VALIDITY OF CONTRACT

The contract, if awarded, shall be for 90 days from the date of award. In case of breach of Contract or in the event of not fulfilling the minimum requirements / statutory requirements, the Client shall have the right to terminate the contract forthwith in addition to forfeiting the performance security amount deposited by the contractor and initiating administrative actions for blacklisting etc. solely at the discretion of the Competent Authority of the office of the Client.

7. PAYMENTS

7.1 After selection of the successful bidder as contractor, the payment shall be made as a running bill of amount not less than 10 lakhs and submission of computerized measurement of work and abstract of cost along with all required documents in full.

7.2 All payments shall be made in Indian Currency by means of NEFT/ RTGS in the account of the Contractor.

7.3 Client shall be entitled to deduct in accordance with Applicable Law, Income Tax, GST or withholding tax or other deductions (as the case may be), from any payments made to the Contractor, and the amount so deducted shall be deemed to be a payment made to the Contractor. The client shall provide a certificate certifying the deduction so made.

7.4 No payment shall be made in advance nor any loan from any bank or financial institution recommended on the basis of the order of award of work.

8. FORECLOSURE OF CONTRACT DUE TO ABANDONMENT OR REDUCTION IN SCOPE OF WORK

If at any time after acceptance of the tender, Competent Authority shall decide to abandon or reduce the scope of the works for any reasons whatsoever and hence not require the whole or any part of the works to be carried out, the Engineer In Charge shall give notice in writing to that effect to the contractor and the contractor shall act accordingly in the matter. The contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the work

- (i) The date of commencement of the event of Force Majeure;
- (ii) The nature and extent of the event of Force Majeure;
- (iii) The estimated Force Majeure Period,
- (iv) Reasonable proof of the nature of such delay or failure and its anticipated effect upon the time for performance and the nature of and the extent to which, performance of any of its obligations under the Contract is affected by the Force Majeure.
- (v) The measures which the Affected Party has taken or proposes to take to alleviate/mitigate the impact of the Force Majeure and to resume performance of such of its obligations affected thereby.
- (vi) Any other relevant information concerning the Force Majeure and / or the rights and obligations of the Parties under the Contract.

24. CORRUPT & FRAUDULENT PRACTICES

Director requires that bidders under the resultant contract observe the highest standard of ethics during the period of contract. In pursuance of this policy, the Director:

(a) Defines, for the purpose of these provisions, the terms set forth below as follows:

- (i) "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public servant; and
- (ii) "Fraudulent practice" means a misrepresentation of facts in order to influence the execution of a contract to the detriment of the Employer, and includes collusive practice among Applicants / Bidders (prior to or after bid submission) designed to establish bid prices as artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.

IIMU

Indian Institute of Management Udaipur

भारतीय प्रबंधन संस्थान उदयपुर

(b) Will reject a proposal for award of contract, if it is determined that the Applicant recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question will declare an Applicant/ Bidder ineligible, either indefinitely or for a stated period of time, for award a contract/ contracts, if it at any time it is found that the Applicant/ Bidder has engaged in corrupt or fraudulent practices in competing for, or in executing the contact.

25. Safety Codes :Ensuring safety at site for the captioned work need to be observed / ensured in accordance with the provision content in handbook of CPWD related to safety health & environment to the extent applicable to this work at IIM Udaipur, Decision in this regard will be governed by the competent authority of IIM Udaipur which shall be final and binding to the contractor.

26. Fire Safety : This will be as per the Fire Safety codes of the CPWD to the extent applicable to the IIM Udaipur. Decision in this regard will be governed by the competent authority of IIM Udaipur which shall be final and binding to the contractor.

SECTION-4

SCOPE OF WORK **(Special Terms and Conditions)**

Scope of Work: The scope of work is primarily defined as following and details are mentioned in BOQ:

Survey & Source Creation

Selecting the right borewell drilling location is crucial & the responsibility of the agency for obtaining clean and abundant groundwater, taking into account geological conditions, water table levels, and potential contaminants. The optimal spot ensures efficient and sustainable water extraction, preventing issues like low yield or contamination. The right location not only guarantees a reliable water source but also contributes to the long-term success and functionality of the borewell.

The tenderer shall acquaint himself with the proposed site of work. The complete work as specified in SOQ(Schedule of Quantities) or as directed by Engineer In Charge or Estate Office representative shall be bound on contractor/tenderer to undertake the work.

- (i) A geographical survey of Borewell** and water Strata is to be done before drilling the borewell, and yield testing reports requires to be submitted to the Engineer in charge for approval. Successful Borewell location with reliable water source will be eligible for the payment. Unsuccessful borewell location will not be eligible for the payment. No payment will be made for the unsuccessful borewell location.
- (ii)** Control panel 3 core 4sqm copper flat wire and holding thick wire rope along with submersible pump as directed by Engineer-in-Charge including all accessories etc all complete.
- (iii)** Column pipe of 50 mm dia including bends, Tees, union and valve including lowering of UPVC pipes transportation etc. all complete.
- (iv)** PCC foundation of control panel including excavation in foundation, trenches and all kinds of soil such as PCC work, hard/soft rock from edge of excavation and other accessories for any type of soil etc. all complete.
- (v)** High-density PVC water storage tank with cover with thermal stability for hot and cold-water supply of CPVC pipe of all sizes including solvent, fitting valve, Ball cock, and commissioning of above.
- (vi)** Any other items as mentioned in BOQ

The scope of work as mentioned above should also be read with respective clause of GCC-2023 and the scopes mentioned in BOQ. Any other works necessary for the completion of the work as per direction of engineer in charge may also be added.

Note: The Indian Standard codes published by the Bureau of Indian standards (BIS) under Engineering Division of respective works which are revised time to time to be followed.

1. The entire premise is to be kept free of any debris at the working site. The demolished/dismantled materials required to be dumped at the designated dumping site in consultation with Engineer In Charge and the same required to be disposed at designated Dumping Site on regular basis. The contractor has to

maintain the designated dumping site within the campus neat and clean and also has to clear any dumped material brought at the site during execution of the awarded work whenever he asked for. The cost for the same is inclusive in the rates quoted against the items available in schedule of quantity. No extra payment for the same shall be paid.

2. Inspection of materials/work at site: The IIM Udaipur's engineer and /or his representative shall inspect the materials at site after delivery before the same is used in the work. The IIMU's engineer and /or his representative shall have free and full access at any time during execution of the contract to the contractor's works or site. In case of execution of work for the aforesaid purpose, and IIMU's engineer may require the contractor to make arrangements for inspection of work or any part thereof or any material at his premises or at any other place specified by the IIMU's Engineer.

3. The IIM Udaipur's Engineer shall have the power: (i) To reject the whole/part of the items & materials tendered for inspection, if after inspection of such portion thereof, as he may in his discretion think fit, he is satisfied that the same is unsatisfactory; and ii) To mark the rejected items / materials or parts with a rejection mark so that it may easily be identified if re-submitted.

4. Requirement of Technical Representative(s) and recovery Rate: -

S.No.	Minimum Qualification of Technical Representative	Discipline	Designation (Principal Technical /Technical representative)	Minimum Experience	Number of Engineers/ Representatives	Rate at which recovery shall be made from the contractor in the event of not fulfilling the requirement
1.	Graduate Engineer/ Diploma Engineer	Civil Engineering	Principal Technical Representatives (Project Manager cum Planning/ Quality/ Site/ billing Engineers)	Graduate Engineer with minimum 2- year experience / Diploma holder with minimum 5 year experience	1	Rs. 500/- per day

5. If for any reasons, any part of the site is not available temporarily for some time for part of the work under the contract, the agreed construction schedule shall be suitably modified and contractor shall diligently divert his men and materials to utilize them appropriately, profitably and no claim of damages whatsoever shall be entertained on this account. However, the contractor shall be allowed extension of time for completing the work as deemed fit by the competent authority. The contractor shall also not be entitled to any compensation for any loss suffered by him and revision in the rates quoted by him.

(a) On account of delay in commencing the work by the contractor.

(b) On account of reduction in the scope of work.

(c) On account of suspension of work or abandoned after award of work.

6. The contractor shall make his own arrangement for obtaining electric connection required for execution of work and make necessary payments directly to the concerned departments and nothing extra shall be payable on this account. The contractor shall make his own arrangement for water suitable for construction.

7. On account of security consideration, some restrictions may be imposed by the security staff on the working and/ movement of men and materials etc. The contractor shall be bound to follow all such restrictions/ instructions and he shall organize his work accordingly. No claim on this account, whatsoever,

IIMU

Indian Institute of Management Udaipur

भारतीय प्रबंधन संस्थान उदयपुर

shall be payable.

8. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night, speed limit boards, red flags, red lights and providing barriers. He shall be responsible for all damages and accidents caused to existing/ new work due to negligence on his part. No hindrance shall be caused to traffic during the execution of the work

9. The contractor shall be responsible for the watch and ward of all materials brought by the contractor to site against pilferage and breakage during the period of installation and thereafter till the works are physically handed over to the department

10. All materials to be incorporated in the work shall be arranged by the contractor and shall be in accordance with the specifications laid down.

11. The contractor shall be required to get all the necessary mandatory and other tests as per the specifications/ IS codes, carried out on materials/ work from an approved laboratory as per the direction of the Engineer In Charge. The testing charges and conveyance from the site shall be borne by the contractor.

12. The contractor shall take all preventive measures against any damage caused by rain, snowfall, floods or any other natural calamity whatsoever during the execution of the work. The contractor shall be fully responsible for any damage to the Owners property and to the work for which the payment has been advanced to him under the contract. However, the contractor shall maintain an equal to the payment received against the work done, at his own cost. This will also cover the defect liability period. This shall be favoring the Director, Indian Institute of Management Udaipur. Nothing extra on this account shall be payable to the contractor for maintaining such insurance, Policy.

13. In case any material / work is found sub-standard the same shall be rejected by the Engineer In Charge/ Architect representative and the same shall be removed from the site of work within 48 hours, failing which the same shall be got removed by the Engineer In Charge at the risk and cost of the contractor without giving any further notice and time.

14. The contractor shall be responsible for completing the work and for satisfying all terms and conditions of the Contract without any extra payment over his quoted rates unless otherwise specified. The contractor shall quote his rate for various items of work accordingly and no claim whatsoever shall be entertained for any incidental or extra work involved in the execution of the work as per nomenclature of the item and the specifications indicated in the tender documents.

15. In order to ensure quality of work during its execution, the Estate Office representative may require samples for mandatory or routine testing of materials. All costs of these samples, their packaging, conveyance from the site to the testing laboratory and return, shall be borne by the contractor.

16. Even ISI marked materials may be subjected to quality test at the discretion of the Engineer In Charge / Architect. Whenever ISI marked materials are brought to the site of work the contractor shall, if required by the Engineer In Charge / Architect, furnish manufacturer's test certificate or test certificate from approved testing laboratory to establish that the materials procured by the contractor, satisfy the provisions of relevant ISI codes. The testing charges shall be borne by the contractor. However cement/steel will be necessarily tested before start of work and also during the execution of work as per the requirements of specifications and will not be used till test certificates are obtained and approved by Engineer In Charge / Architect.

17. The contractor shall supply free of charge the material required for testing. The cost of tests shall be borne by the contractor.
18. The quantities of various items incorporated in the tender are approximate. However, the payments shall be made to the contractors on the basis of actual measurements taken at site.
19. Subject to the nomenclature of the item as per schedule of quantities, the specification indicated in the tender documents, the rates quoted shall include cost of all materials including royalty and taxes if any, labour, sundry inputs, execution of work at all heights, levels, pattern and design for all leads, lifts and depths including overhead charges and contractor's profit. Nothing extra shall be paid on this account.
20. No shifting charges will be paid to the Contractor for shifting the construction equipment and its accessories from one location to another or from one area to another.
21. The contractor shall supply free of charge samples of items as required for testing including its transportation to testing laboratories. The cost of testing reinforcement shall be borne by the contractor.
22. The contractor shall protect the adjoining buildings or works and the work under execution from fire and shall make adequate arrangements for fire protection and firefighting and if any property is damaged, by fire due to the negligence of the contractor, the same shall be made good by the contractor at his own cost, to the entire satisfaction of Engineer In Charge
23. The contractor shall get the samples of all the materials to be used in the work approved from Engineer In Charge and Architect before going for bulk procurement. Bulk procurement shall be taken up only after obtaining approval from the Engineer In Charge. Any delay in getting the samples approved shall be contractor's responsibility
24. All materials, articles and workmanship shall be of respective best quality and kind for the class described in the schedule of quantities and specifications. All materials, so used in different items of work shall be subject to the approval of the Engineer In Charge.
25. The contractor is supposed to abide the minimum wages act and shall produce all records to the Engineer In Charge or any other statutory authority as and when called for. The Engineer In Charge does not hold any responsibility on account of any lapses in this regard
26. All spaces allotted to the contractor as described above shall be vacated and all structures removed from site at any time as and when required and directed by the Engineer In Charge, unconditionally and without any reservation. The Engineer In Charge will not be obliged to give any reason for such removal. Upon receiving instructions to vacate the space, the contractor shall immediately remove all his structures, materials, etc. from the sources and clear and clean up the site to the satisfaction of the Engineer In Charge.
27. The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor
28. The quantity of items may increase or decrease as per requirement at site. The contractor shall have no right to raise any objection and claim in respect of the increase or decrease in quantities of items. The contractor is requested to quote their rates by considering this aspect.
29. During execution of work the contractor shall make all necessary barricade/covering of the site

wherever required at no extra cost.

30. No extra cost beyond schedule of quantity items shall be paid to contractor for making arrangements like scaffolding/lifting arrangements for shifting of material. The contractors who like to participate in the bids should consider this criterion and requested to visit the site before filling the tender.

31. In order to achieve the targeted date of completion the contractor may have to work in multiple shifts including public and gazette holidays and nothing extra shall be paid on this account.

32. The requirement/execution of the work is indicative as mentioned in Schedule of Quantity and may deviate or change at the sole discretion of the client up to the permissible deviation limit as per IIMU Rules.

33. The work will be carried out as per CPWD Specification 2022 Vol. I & II and up to date correction & amendment slips. Those items which are not available/covered under the CPWD Specification 2022 Vol. I & II. General specification will prevail as per the material & labour consumed in the work.

34. All terms & conditions laid down in CPWD Works Manual 2022 shall be applicable.

35. All dismantled material having any salvage value to be determined by the Engineer In Charge shall be the property of IIMU.

36. The rates quoted by the tenderer shall be firm and fixed for the entire period of completion and till handing over of the work, No revision to Percentage/ Item rates or any escalation shall be allowed on account of any increase in prices of materials, labour, POL and Overheads etc. or any other statutory increase during the entire contract period of extended contract period.

37. No worker/employee of the Agency shall be allowed to stay in the premises of IIM Udaipur. The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor.

38. No littering shall be allowed in the premises and routine disposal of debris shall be ensured by the contractor.

39. Special conditions in terms of final bill:

39.1 All measurements of all items having financial value shall be entered by the contractor and compiled in the shape of the Computerized Measurement Book having pages of A-4 size as per the format of the department and shall be submitted online within 7 days of the execution of the work along with copy of supporting document in hard copy.

39.2 The contractors shall submit his final bill to the Engineer In Charge within 15 days of Completion of work. No further claims shall be made by the contractor after submission of the final bill, and these shall be deemed to have been waived and extinguished.

39.3 The agency has to follow all the safety measures, in case of any happening due to any carelessness in safety regulations, IIMU will not be held responsible. No claim whatsoever will be entertained in this regard.

39.4 Care shall be taken by the contractor during the execution of the work to avoid damage to the building. He shall be responsible for repairing such damage and restoring the same. He shall also remove all unwanted and waste materials arising out of the installation from the site of work from time to time.

39.5 The final inspection and testing will be done by the Engineer In Charge or his representative.

39.6 The material shall be got approved by Engineer In Charge or his authorized representative before its use at the site. The agency shall remove rejected material from the site of work within three days of rejection, otherwise, it will be got removed by the institute itself and the expenditure incurred will be recovered from your bill. In this regard, no claim whatsoever will be entertained.

39.7 It will be the responsibility to submit computerized measurements & bills. Payment will be made after verification of measurement.

39.8 Rates agreed are inclusive of

- Transportation, Loading-unloading and shifting at store and site.
- Transit Insurance of material.
- Scaffolding ladder etc required in height.
- Arrangements and equipment required for testing of equipment.
- Testing and commissioning charges.

SECTION-5

TECHNICAL SPECIFICATIONS OF THE MATERIALS TO BE USED AT SITE

1. General

The work under contract shall be carried out in accordance with CPWD specifications Vol. I & II- 2022 for the execution of individual schedule items & DSR 2023 with up to date correction slips. The execution of schedule items which are not covered under CPWD specification 2019 shall be bound on contractor as per direction of Engineer- In charge. However, some of specifications have been describes from para-3, below. For disposal/stacking of dismantled /surplus item (s) the contractor shall be bound to dispose/ stack the dismantled/ surplus item (s) up to a lead of 200 meters or at designated placed as per directions of Engineer In Charge and no claim of extra payment in accordance with the CPWD specification 2019 shall be entertained in this regard.

2. Cement Concrete

The concrete work shall be done in accordance with CPWD Specifications 2022. Acceptance Criteria Compressive strength & Flexural Strength -- The concrete shall be deemed to comply with the strength requirements provided in Para 16 of IS : 456-2000 is met with & also with 5th amendments.

Approved Cement- Ultratech, JK, Birla.

3. Fine Sand

Fine Sand shall be used dust free and will be sieved before mixing with cement.

4. Crushed Stone

The Stone aggregate to be used in the work of hard stone duly sieved with appropriate size.

5. Curing of the Cement Work

Curing of the plaster, PCC or RCC , Masonry work shall be done with clean water for 21 days in two spells in a day. Wherever the manually water cannot be sprayed, the contractor shall make arrangement of electric motor pump.

6. Source Creation

Borewell

1.1 Borewells are drilled for tapping the water from the deeper aquifer.

1.2 A geographical survey of Borewell and water Strata is to be done before drilling the borewell by the contractor at his own cost and after completion of source, yield tests are to be conducted and safe yield has to be arrived at.

7. Tools and Plants

7.1 All the tools and plants required for the work including all pipes and timbers for shoring and strutting. Pump sets for de-watering, compressor driving equipment's for under water works etc. shall be provided by the contractor at his own cost. The rates quoted for the relevant items shall be inclusive of charges for such tools and plants and appurtenances required for the proper execution of the work.

8. Guarantee for the Yield

6.1 The contractor should give a guarantee for the required yield of MLD of water in all seasons of the year for a period of two years reckoned from the date of commissioning of the borewell. The contractor has to indemnify the Employer towards guarantee for the yield of MLD of water in all seasons through out the year.

9. Pump sets and Accessories

1. All the materials used shall conform to the relevant BIS and should be delivered to the site of work. The contractor is responsible for safe custody of machinery and other equipment's under this contract till handing over to the employer.
2. The rates should include all the minor items of civil works, if any required for installation complete
3. All necessary civil work for the creation of all equipment's and accessories offered by the contractor under this contract should be done by the contractor.
4. Test certificates for machinery and equipment's should produced along with supply
5. The bidder should enclose the performance curve duly indicating the duty point for the size of the impeller selected (family curve should not be furnished) the performance curve should furnish complete range of operation and the curve should be authenticated by the manufacturer or his authorized dealer. In the event of non-compliance, the offer shall be summarily rejected
6. The contractor shall make necessary arrangements to get supply of electricity from IIMU for operating the machinery and equipment's. Necessary vouchers in original for the payment made to the EB shall be produced to the employer by the contractor which shall be reimbursed by the employer.
7. Before supply of machinery, equipment's and other accessories prior approval of the Engineer should be obtained giving the name of makes and other details required.
8. Obtaining approval or electrical layout diagram for the installation of all the equipment's (transformers, generators, pump sets and other accessories) and obtaining safety certificate on completion of work from IIMU/Electrical Inspector should be arranged and got approved by the contractor at his cost.
10. All the materials should be supplied as per BOQ and should be of standard makes mentioned below:-
 - (a) Submersible Pumps—Shakti/KSB/Lubi/Falcon
 - (b) UPVC Column Pipes – Astral/Supreme/Prince
 - (c) GI Sheets--Tata/Uttam/Jindal/SAIL
 - (d) Valves/NRV—Zoloto/Advance/Castle
 - (e) Submersible Flat Copper Cable- Havells/Polycab/KEI
 - (f) MCCB, MCB, ELCB, RCCB etc- Schneider Electric/Legrand/L&T /Siemens/ABB
 - (g) GI Pipes- Tata/Jindal/Surya

Schedule of Quantity

Name of Work: Provision of Deep Borewell With Connected Items and Submersible Pump Set At IIM Udaipur.

S.No.	Description	Unit	Qty.	Rate in Rs.	Amount in Rs.
1	Boring/drilling bore well of required dia for casing/ strainer pipe, by suitable method prescribed in IS: 2800 (part I), including collecting samples from different strata, preparing and submitting strata chart/ bore log, including hire & running charges of all equipments, tools, plants & machineries required for the job, all complete as per direction of Engineer -in-charge, beyond 90 metre & upto 150 metre depth below ground level.Rocky strata including Boulders- 300 mm dia	Metre	30.00	1870.60	56118.00
2	Boring/drilling bore well of required dia for casing/ strainer pipe, by suitable method prescribed in IS: 2800 (part I), including collecting samples from different strata, preparing and submitting strata chart/bore log, including hire & running charges of all equipments, tools, plants & machineries required for the job, all complete as per direction of Engineer -in-charge, beyond 90 metre&upto 150 metre depth below ground level-Rocky strata including Boulders 200 mm dia	Metre	320.00	1253.35	401072.00
3	Supplying, assembling, lowering and fixing in vertical position in bore well, ERW (Electric Resistance Welded) FE 410 mild steel screwed and socketed/plain ended casing pipes of required dia, conforming to IS: 4270, of reputed & approved make, including painted with outside surface with two coats of anticorrosive paint of approved brand and manufacture, including required hire & labour charges, fittings & accessories, all complete, for all depths, as per direction of Engineer-in-charge.- 150 mm nominal	Metre	30.00	1972.25	59167.50

	size dia having minimum wall thickness 5.00 mm				
4	Providing and fixing suitable size threaded mild steel cap or spot welded plate to the top of bore well housing/ casing pipe, removable as per requirement, all complete for borewell of 150 mm dia	Each	2.00	210.75	421.50
5	Development of tube well in accordance with IS : 2800 (part I) and IS: 11189, to establish maximum rate of usable water yield without sand content (beyond permissible limit), with required capacity air compressor, running the compressor for required time till well is fully developed, measuring yield of well by "V" notch method or any other approved method, measuring static level & draw down etc. by step draw down method, collecting water samples & getting tested in approved laboratory, i/c disinfection of tubewell, all complete, including hire & labour charges of air compressor, tools & accessories etc., all as per requirement and direction of Engineer-in-charge.	Hour	24.00	1085.05	26041.20
6	Providing and fixing M.S. clamp of required dia to the top of casing/ housing pipe of tubewell as per IS: 2800 (part I), including necessary bolts & nuts of required size complete. 150 mm Clamp	Each	2.00	2019.14	4038.28
7	Providing and fixing rectangular/circular high density polyethylene water storage loft tank with cover, conforming to ISI : 12701, colour of opaque white or as approved by Engineer-in-charge. The rate includes making necessary holes for inlet, outlet & over flow pipes. The base support i/c fittings	Per Litre	5000.00	11.00	55000.00

	& fixtures for tank shall be paid separately.				
8	Random rubble masonry with hard stone in foundation and plinth including levelling up with cement concrete 1:6:12 (1 cement : 6 coarse sand : 12 graded stone aggregate 20 mm nominal size) upto plinth level with : Cement mortar 1:6 (1 cement : 6 coarse sand)	Cum	2.00	7311.25	14622.50
9	Centering and shuttering including strutting, propping etc. and removal of form for Suspended floors, roofs, landings, balconies and access platform	Sqm	3.00	927.25	2781.75
10	Providing and laying in position specified grade of reinforced cement concrete, excluding the cost of centering, shuttering, finishing and reinforcement - All work up to plinth level : 1:2:4 (1 cement : 2 coarse sand (zone-III) derived from natural sources : 4 graded stone aggregate 20 mm nominal size derived from natural sources)	Cum	2.00	8583.40	17166.80
11	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level : 1:5:10 (1 cement : 5 coarse sand (zone-III) derived from natural sources : 10 graded stone aggregate 40 mm nominal size derived from natural sources)	Cum	2.00	6518.60	13037.20
12	Providing and fixing G.I. pipes complete with G.I. fittings including trenching and refilling etc. 65 mm dia nominal bore	Metre	700.00	896.60	627620.00

13	Providing and fixing Chlorinated Polyvinyl Chloride (CPVC) pipes, having thermal stability for hot & cold water supply including all CPVC plain & brass threaded fittings This includes jointing of pipes & fittings with one step CPVC solvent cement, trenching, refilling & testing of joints complete as per direction of Engineer in Charge.- 50 mm nominal dia Pipes	Meter	20.00	934.15	18683.00
14	Clearing jungle including uprooting of rank vegetation, grass, brush wood, trees and saplings of girth up to 30 cm measured at a height of 1 m above ground level and removal of rubbish up to a distance of 50 m outside the periphery of the area cleared.	Sqm	50.00	17.60	880.00
15	Leveling & neatly dressing of disposed soil completely as directed by the Estate Officer	Cum	10.00	93.05	930.50
16	Steel work welded in built up sections/ framed work, including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer and paint using structural steel etc. as required. In gratings, frames, guard bar, ladder, railings, brackets gates and similar works	Kg	100.00	196.80	19680.00
17	Providing and fixing G.I. pipes complete with G.I. fittings including trenching and refilling etc. 80 mm dia nominal bore	Meter	10	1041.5	10415
18	Supplying , Fixing Testing and Commissioning of following Valves, Gauges and Strainers for Condenser water circulation as per specifications: Butterfly Valve (Manual 80 mm)	Nos	2.00	1100	2200
19	Providing and fixing collar :Sand cast iron S&S as per IS - 1729 (Hose Nipple 100 mm)	Nos	2.00	424.90	849.80
20	Supplying, Lowering, testing and commissioning of vertical type, multistage, totally enclosed water filled deep well three phase submersible pumping set of suitable rating to deliver discharge of 300-330 LPM approx at 100 M head	Nos	2.00	62000.00	124000.00

21	Supplying, lowering in existing borewell of super heavy duty 50 mm dia UPVC column pipe i/c SS 304 Top and Bottom adapter set, coupler with double SS Stud Pin Locking system, rubber 'O' ring, pump guard set, lowering SIGRI etc complete as required.	Metre	220.00	986.00	216920.00
22	Supplying & fixing of 10 m dia PVC insulated steel flexible safety rope for holding submersible pumpset i/c clamps etc. complete as reqd.	Metre	225.00	175.00	39375.00
23	Supplying and Laying of following size PVC insulated & PVC Sheathed flat submersible copper cable confirming to IS.694/1990 etc. i/c connection, testing complete as reqd. 3c x 4 Sqmm submersible flat copper cable	Metre	230.00	235.00	54050.00
24	Providing and Fixing the following size of CPVC ball Valve ISI Mark complete with fittings, MTA, FTA, solvent, connectors, nut, bolt, washer,gasket etc. as required at the site. 50 mm dia	Nos.	4.00	1500.00	6000.00
25	Providing and Fixing the following size CPVC Non-return Valve, ISI Mark complete with fittings, nut, bolt, washer, gasket etc. as required at the site. 50 mm dia	Nos.	2.00	3200.00	6400.00
26	Supplying of PVC insulated and PVC/XLPE sheathed power cable of 1.1 KV grade of following size: 4 x 35 sq mm Armoured Aluminium Cable	Metre	600.00	415.00	249000.00
27	Laying of one number PVC insulated and PVC sheathed / XLPE power cable of 1.1 KV grade of following size in the existing RCC/ HUME/ METAL pipe as required. 4 x 35 sq mm Armoured Aluminium Cable	Metre	590.00	37.00	21830.00
28	Supplying and making end termination with brass compression gland and aluminium lugs for following size of PVC insulated and PVC sheathed / XLPE aluminium conductor cable of 1.1 KV grade as required. 4c X 35 sq. mm Aluminium Armoured Cable	Each	4.00	370.00	1480.00

29	Supplying and laying of following size DWC HDPE pipe ISI marked along with all accessories like socket, bend, couplers etc. conforming to IS 14930, Part II complete with fitting and cutting, jointing etc. on surface with necessary clamps as per site requirement. 63 mm dia (OD-63 mm & ID-51 mm nominal)	Metre	200.00	127.00	25400.00
30	Supplying and laying of following size DWC HDPE pipe ISI marked along with all accessories like socket, bend, couplers etc. conforming to IS 14930, Part II complete with fitting and cutting, jointing etc. direct in ground (75 cm below ground level) including excavation and refilling the trench but excluding sand cushioning and protective covering etc., complete as required. 63 mm dia (OD-63 mm & ID-51 mm nominal)	Metre	400.00	247.00	98800.00
31	Supply, Installation, Testing & Commissioning of cubicle type totally enclosed, free standing type moisture, dust and vermin proof, waterproof, Outdoor type IP 66 rating feeder pillar made out of 2 mm thick of main members & front cover of 1.6 mm thick CRCA sheet including primer and painting, rubber gasket, provision for lock and key facility complete with suitable Star Delta starter/soft starter/Frequency Drive for running 3-phase submersible pump including MCB/MCCB, voltmeter, Ammeter, indication lamp including connections, etc. complete as required at site.	Nos.	2.00	20000.00	40000.00
32	Earthing with G.I. earth pipe 4.5 metre long, 40 mm dia including accessories, and providing masonry enclosure with cover plate having locking arrangement and watering pipe etc. with charcoal/ coke and salt as required.	Nos.	4.00	6855.00	27420.00
33	Providing and laying earth connection from earth electrode with 6 SWG dia G.I. Wire in 15 mm dia G.I. pipe from earth electrode including connection with G.I. thimble excavation and re-filling as required.	Metre	40.00	287.00	11480.00

CONTRACT AGREEMENT
(to be executed on 500/- Stamp Paper)

This Agreement for “” is made and executed on this.... day, theday of..... 2024 at Udaipur.

BY AND BETWEEN:

1. Indian Institute of Management Udaipur, (registered under the Rajasthan Society Registration Act, 1958 on April 5, 2010) is an Autonomous Institute under the Ministry of Education, Government of India, having its current office at Balicha, Udaipur-313001, Rajasthan, India (hereinafter referred to as the “Institute”, which expression shall unless repugnant to the context or meaning thereof be deemed to include its executors, administrators, and assignees),

AND

2. M/s, having its registered office at, India (hereinafter referred to as the “Contractor”, which expression shall, unless repugnant to the context or meaning thereof, be deemed to include its executors, administrators, and assignees), represented by Mr. , Authorised person of the company.

WHEREAS the contractor has agreed for the work at IIM Udaipur mentioned in the specification and schedule (Tender Document) attached hereto at the prices and in the manner and upon the terms and conditions hereinafter mentioned and whereas the contractor has deposited with the Institute, the sum of Rs.....(Rupees only) vide performance bank guarantee towards the security money for the due and faithful performance of this contract and to be forfeited in the event of the contractor failing duly and faithfully performance of this contract.

The Institute and the Contractor agree as follows:

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Contract documents (Tender Document) referred to.
2. The following documents shall be deemed to form and be read and construed as part of this Agreement. This Agreement shall prevail over all other Contract documents.
 - (a) The Letter of Intent (LOA) dated2024.
 - (b) The Performance Bank Guarantee Rs. (Rupees only)
Fixed deposit No. dated2024 issued by

Bank.

(c) The Tender Document Nodated

..... 2024.

(d) Mail negotiation, correspondence on email, and other relevant documents.

3. In consideration of the payments to be made by the Institute to the Contractor as indicated in this Agreement, the Contractor hereby covenants with the Institute to execute the works and to comply with all statutory requirements existing as well as those promulgated from time to time. The price is payable for rendering requisite services after fulfilment of all statutory requirements as per the Letter of Acceptance & tender documents.

4. The period of the contract will be for a total of 60 days from the date of commencement of the work i.e 2025.

5. All disputes under this contract are subject to Udaipur jurisdiction only.

Agreement to be executed in accordance with the laws of India on the day, month, and year indicated above.
